TEDDY BEAR DRIVE TO BENEFIT PLUMAS DISTRICT HOSPITAL

QUINCY, CA, JANUARY 10, 2011 - The Plumas District Hospital (PDH) Volunteers announced their plan to collect teddy bears to share with sick or injured children who visit Plumas District Hospital. The drive will conclude at the next regular meeting of the PDH Volunteers on Thursday, February 3, 2011.

If you would like to participate, donations of new teddy bears can be dropped off at the home of Judy Wright, Teddy Bear Drive Chairperson, at 325 West Main Street, in Quincy.

Please note that, due to the need for infection control among recipients, donated bears must be new and unused. Bears should be placed in a plastic bag and labeled "Teddy Bear Drive." Monetary donations are also accepted, and will allow the group to purchase teddy bears from local businesses.
